

Chinook Park

This information is taken from the City of Calgary's database that shows historical Calgary populations by community. We were unable to find data after 2017, but anticipate that the data would be similar.

Census Year	Population	Occupied Dwellings	Persons/Unit
1968	2,578	578	4.46
1969	2,529	579	4.37
